## LOSW-12-CU - Sending email pane

The Email Us pane should be placed on the right side of the Contact Us page just under the "КОНТАКТИ" page title.

The pane look should be like the following:

Ім'я	Телефон

Адреса електронної пошти

повідомлення

ЗВ'ЯЖІТЬСЯ З НАМИ

The pane should consist of the following elements:

Name text field (**required**)

- should accept any charachters
- min 2 chars
- max 100 chars
- error message should look like: "Поле має містити від 2 до 100 символів" the validation of the value put into the field should be triggered by moving the focus out of the field

Phone text field (optional)

- should accept a phone number in a format "+380XXXXXXXXX" where X-es are digits with a max of 13 symbols in total
- validation message should be like the following "Будь ласка, введіть дійсний номер телефону у форматі +380XXXXXXXXX".

Email Address text field (**required**)

- should verify that the string entered in the field is in the email format
- has @ symbol
- has > 1 char before the @ symbol
- has . symbol in the email domain part after the @ symbol
- there are some chars between the @ and . symbols (at least one char)
- has > 1 char after the . symbol
- may include only upper and lower case latin letters and numbers in its address part (means before the "@" symbol)
- may include only latin letters and numbers in its domain part (means after the "@" symbol)
- the email address validity is supposed to be checked upon the user leaving the field to any other field or the page element
- the validation message should read as the following: "Введіть дійсну адресу електронної пошти."

Messege text area (optional)

- should accept any charachters
- max 500 chars
- when the entered message is longer then 500 chars, the following error message should appear just below the Message field: "Ви не можете надіслати повідомлення довше ніж 500 символів".

"ЗВ'ЯЖІТЬСЯ З НАМИ" button

- should show a modal window with an "ДОБРЕ" button and a message like the following:

"Надіслано!

Дякуємо, що зв'язалися з нами. Ми отримали ваше повідомлення і незабаром відповімо вам."

The result of the click on "ЗВ'ЯЖІТЬСЯ З НАМИ" button (when all required fiedls are populated) will be (1) sending the form to the server, (2) appearing a modul window just described above and (3) sending the email to the LuOle's business email address.

It will be possible to close the "**Надіслано**!" modal window wither by clicking "ДОБРЕ" button, or "x" sign on the right top corner of the modal window, or by clicking anywhere outside the modal window body.
